INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Housing Authority of the City of Winnfield
Winnfield, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of **Housing Authority of the City of Winnfield (HACW)**, as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise HACW's basic financial statements as listed in the table of contents

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Auditors' Responsibility, Continued

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to HACW's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HACW's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements previously referred to present fairly, in all material respects, the respective financial position of HACW as of September 30, 2014, and the respective changes in net position and cash flows of its enterprise fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 5 through 12 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2015 on our consideration of HACW's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HACW's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS**

INTRODUCTION TO FINANCIAL STATEMENTS

The management of **Housing Authority of the City of Winnfield (HACW)** has complied with Governmental Accounting Standards Board Statement No 34, *Basic Financial Statements - and Management's Discussion and Analysis - for States and Local Governments (GASB 34)*

Management believes that GASB 34 financial statements provide useful information because these statements show not only the short-term results of operations but also the long-term financial picture

In GASB 34 terms, **HACW** has only one fund, the Enterprise Fund, and engages in only one type of activity. A Statement of Net Position and Statement of Revenues, Expenses and Changes in Fund Net Position shown on pages 13 and 14, show the results of operations and financial position using the *total economic resources* measurement focus and the *accrual basis* of accounting, which emphasize the long-term financial picture and are very similar to the financial statements of private sector for profit enterprises

The following is a discussion and analysis of **HACW's** financial activities for the years ended September 30, 2014 and 2013. This discussion and analysis should be read in conjunction with **HACW's** accompanying audited financial statements

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific objectives. **HACW**, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance related legal requirements. **HACW** has two federally funded programs that are consolidated into a single enterprise fund (operating fund program)

Low Rent Public Housing Program - **HACW's** Low Rent Public Housing Program rents housing units to low-income families. The Low Rent Public Housing Program is operated under an Annual Contribution Contract with U.S. Department of Housing and Urban Development (HUD). HUD provides an operating grant to enable **HACW** to provide housing at a rent that is based upon 30% of adjusted gross household income.

**HOUSING AUTHORITY OF THE CITY OF WINNFELD
WINNFELD, LOUISIANA
MANAGEMENT'S DISCUSSION AND ANALYSIS, CONTINUED**

Fund Financial Statements, Continued

Capital Fund Program (CFP) - The Low Rent Housing Program also includes the CFP as the primary funding source for physical and management improvements. CFP funding is provided by formula allocation and based upon size and age of HACW's units.

USING THIS ANNUAL REPORT

HACW's annual report consists of financial statements that show combined information about HACW's most significant funds, Low Rent Public Housing, and Public Housing Capital Fund Programs.

HACW's auditors provided assurance in their independent auditor's report, located immediately preceding the MD&A. That opinion was unmodified with respect to the basic financial statements. The auditors' provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditors' report carefully to determine the level of assurance provided for each of the other parts of this report.

FINANCIAL HIGHLIGHTS

- HACW's assets exceeded its liabilities by \$3,388,383 and \$3,506,392, respectively for the years ended September 30, 2014 and 2013
 - Of this amount \$568,078 and \$460,483 of unrestricted net position for each period, may be used to meet HACW's ongoing obligations to citizens and creditors.
 - The remainder of \$2,820,305 and \$3,045,909, respectively represent a restriction equal to the net amount of investment in land, building and building improvements, equipment, and construction in progress.
 - HACW's most significant asset at September 30, 2014 and 2013 were capital assets of \$2,820,305 and \$3,045,909, respectively.

FINANCIAL HIGHLIGHTS, CONTINUED

- HACW's significant operating expenses for the year ended September 30, 2014 and 2013 were salaries and related benefits, depreciation, contractual services, and insurance premiums
- Operating grants from the Federal government constitutes 55% for 2014 and 2013 of its total operating revenues with total dwelling revenues accounting for 45% of its operating revenues for the years ended September 30, 2014 and 2013
- Capital grants for modernization and management improvements were \$9,363 and \$-0- for the years ended September 30, 2014 and 2013

OVERVIEW AND HIGHLIGHTS OF FINANCIAL STATEMENTS

The basic financial statements of HACW consists of the Statement of Net Position, (shows assets and liabilities separated into current and noncurrent and net position) and Statement of Revenues and Expenses and Changes in Fund Net Position which uses the *full accrual* basis of accounting with revenues recognized when earned and expenses when incurred, regardless of the timing in the receipt of the disbursement. The notes to the financial statements provide additional information that is essential to a full understanding of the financial data provided in the basic financial statements. The measurement focus is the total economic resources of HACW.

The following provides condensed information from the Statement of Net Position as of September 30, 2014 and 2013:

EXPLANATION OF FINANCIAL ANALYSIS

Net position decreased by \$118,009 (\$126,373 less prior period adjustments, net of \$8,364) and \$220,852 for the years ended September 30, 2014 and 2013, respectively. The primary cause for the decrease in 2014 and 2013 was the level of funding received from HUD.

For 2014, HACW received capital funds of \$76,036 to \$-0- for 2013. The funding during 2014 impacted the amount of change in net position for the year ended September 30, 2014.

**HOUSING AUTHORITY OF THE CITY OF WINNFIELD
WINNFIELD, LOUISIANA
MANAGEMENT'S DISCUSSION AND ANALYSIS, CONTINUED**

EXPLANATION OF FINANCIAL ANALYSIS, CONTINUED

Changes in current assets for 2014 resulted from the timing in receipt of funds during 2014 and the balance in outstanding obligations at September 30, 2014 compared to 2013. The impact resulted in an increase in cash at September 30, 2014.

For 2013, changes in current assets resulted from the timing in receipt of funds paid out for Capital Fund projects during 2012 and received during 2013.

For 2014, the increase in liabilities was associated with the timing in vendor and other government payments.

Decrease in liabilities at September 30, 2013, was associated with the timing in payments to vendors, other government, and a decrease in compensated leave earned by staff.

For 2014, a comparison to prior fiscal year reflects an increase in total operating and nonoperating revenues by \$112,599. Further, Capital Contributions from the Capital Funds Program increased by \$9,363 in 2014. The net change in total revenues resulted from a combination of larger offsetting factors.

Reasons for most of these changes are listed below:

- Federal revenues for 2014 from HUD for operations increased to \$311,135 compared to \$210,180 in 2013 principally due to the determination of HACW's operating subsidy which is based upon a three year rolling average of past operations and available Capital Fund Program funds for operations.
- Capital Funds for new construction and modernization projects increased from \$-0- in 2013 to \$9,363 during the year ended September 30, 2014. The increase was due to additional funding for modernization projects during 2014.
- Tenant revenues increased from \$255,032 in 2013 to \$266,585 for the year ended September 30, 2014. The increase was due in part to changes in tenant personal income which serves as the basis for tenant rent payment level calculation and leased-up levels in 2014 and 2013.

EXPLANATION OF FINANCIAL ANALYSIS, CONTINUED

In comparison to prior year, total operating expenses increased from \$686,504 in 2013 to \$713,987 for the year ended September 30, 2014

Reasons for most of these changes are listed below

- Increase in salaries and related benefits from \$198,357 in 2013 to \$212,366 in 2014 due to cost of living adjustments
- Decrease in depreciation expense from \$235,968 in 2013 to \$234,966 in 2014 due to a decrease in the remaining 2014 capital assets depreciable base
- Payment in lieu of taxes to the local government of \$24,201 in 2014 and \$-0- in 2013

Compared to 2012 fiscal year, total operating and nonoperating revenues increased by \$8,282 during 2013. Further, Capital Funds decreased by \$44,668 in 2013. The net change in total revenues resulted from a combination of larger offsetting factors

Reasons for most of these changes are listed below

- Federal revenues for 2013 from HUD for operations increased to \$210,181 compared to \$197,576 in 2012 principally due to the determination of HACW's operating subsidy which is based upon a three year rolling average of past operations
- Capital Funds for new construction and modernization projects decreased from \$44,668 in 2012 to \$-0- during the year ended September 30, 2013. The decrease was due to the completion of several open modernization projects during 2012. At September 30, 2013 HACW has unspent capital funds totaling \$83,101
- Tenant revenues increased from \$239,609 in 2012 to \$255,032 for the year ended September 30, 2013. The increase is due in part to changes in tenant personal income which serves as the basis for tenant rent payment level calculation and leased-up levels in 2013 and 2012

EXPLANATION OF FINANCIAL ANALYSIS, CONTINUED

In comparison to prior year, total operating expenses increased from \$679,684 in 2012 to \$686,504 for the year ended September 30, 2013

Reasons for most of these changes are listed below

- Decrease in salaries and related benefits from \$243,161 in 2012 to \$198,357 in 2013 due to salary and related benefit change for a key management personnel
- Increase in depreciation expense from \$219,372 in 2012 to \$235,968 in 2013 due to an increase in the depreciable base during 2013
- Increase in contractual services from \$98,491 to \$121,817 to accommodate information technology and other consulting services needed by HACW as part of its operations
- Increase in extraordinary maintenance cost to address sewer related repairs during 2013

CAPITAL ASSETS AND DEBT ADMINISTRATION

HACW's investment in capital assets amount to \$2,820,305 and \$3,045,909 net of accumulated depreciation of \$5,508,044 and \$5,273,077, respectively at September 30, 2014 and 2013

A summary of its composition follows

	September 30,	
	<u>2014</u>	<u>2013</u>
Capital assets	\$ 8,328,349	\$ 8,318,986
Less accumulated depreciation	<u>(5,508,044)</u>	<u>(5,273,077)</u>

MANAGEMENT'S DISCUSSION AND ANALYSIS, CONTINUED**

DEBT

At September 30, 2014 and 2013, HACW had no debt obligations in the form of loans, bonds, mortgages, etc

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

HACW is primarily dependent upon Federal funding for its operations, therefore, it is affected more by Federal budget than by local economic conditions. HACW's operating subsidy calculation for 2015 has been submitted and approved with no major changes in the subsidy amount. HACW's capital fund programs are multiple year budgets and have remained relatively stable.

REQUEST FOR INFORMATION

NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 - Summary of Significant Accounting Policies

Background

The **Housing Authority of the City of Winnfield (HACW)** is a public corporation, legally separate and fiscally independent and governed by a Board of Commissioners. Under the United States Housing Act of 1937, as amended, the U S Department of Housing and Urban Development (HUD) has direct responsibility for administering housing programs. HACW has been contracted by HUD to administer the Low-Rent Housing Program under an Annual Contributions Contract.

As of September 30, 2014, HACW was primarily engaged in the administration of Low-Rent Public Housing Program to low-income residents in Winnfield, Louisiana.

Under the Low-Rent Public Housing Program, HACW provides housing to eligible families under leasing arrangements.

Financial Reporting Entity

HACW has the power to sue and be sued, and make rules and regulations for its own government consistent with the laws of the State of Louisiana and the City of Winnfield.

Government Accounting Standards Board (GASB) Statement Nos 14 and 39, established standards for defining and reporting on the financial entity. The standards indicate that the focal point for identifying the financial reporting entity is the primary government, which is considered to be any state government or general purpose local government or a special-purpose government. The basic criteria for including a component unit within the reporting entity's financial accountability includes

1. Appointing a majority of an organization's governing body, and,
 - a. The ability of the government to impose its will on that organization and/or

**HOUSING AUTHORITY OF THE CITY OF WINNFELD

NOTES TO THE FINANCIAL STATEMENTS, CONTINUED**

NOTE 1 - Summary of Significant Accounting Policies, Continued

Financial Reporting Entity, Continued

- b The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the government
- 2 Organizations for which the government does not appoint a voting majority but are fiscally dependant on the government
- 3 Organizations for which the reporting entity financial statements would be misleading if fate of the organization is not included because of the nature or significance of the relationship

HACW was established as a separate, legal entity with a governing board which is separate and independent of any other governmental "reporting entity" as defined by GASBs 14 and 39. Accordingly, management has concluded that **HACW** is a financial reporting entity within the meaning of the provisions of GASBs 14 and 39. Accordingly, **HACW** is not a component unit of the financial reporting entity of the City of Winnfield. Also, **HACW** has no component unit for financial reporting entity purposes as described within the provisions of GASB Statement No 's 14, 39 and as amended by 61.

Basis of Presentation

As required by Louisiana Revised Statute (LRS-24 514) and HUD regulations, the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

The accounts of **HACW** are accounted for under the proprietary fund. Accordingly, the accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America applied to governmental units.

Proprietary Fund Type - A proprietary fund is accounted for on the flow of economic resources measurement focus and uses the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. HACW's fund include the following type:

Enterprise Fund - An enterprise fund is used to account for those operations that are financed and operated in a manner similar to private business or where the Board has decided that the determination of revenues earned, costs incurred and/or net income is necessary for management accountability.

HACW follows the provisions of GASB 33 (Accounting and Financial Reporting for Non-Exchange Transactions)

Under GASB 33 Standards, HACW recognizes assets, liabilities, revenues and expenses under its government-mandated and voluntary non-exchange transactions as follows:

- Assets and liabilities are recognized when all applicable eligibility requirements are met or resources received, whichever is first,
- Revenues and expenses are recognized when all applicable eligibility requirements are met,
- Transactions with time requirement(s) received prior to the satisfaction of the time requirement(s) are recorded as deferred revenues upon award, and
- Transactions with no time requirement(s) are recorded by HACW as revenues upon award.

Measurement Focus and Basis of Accounting and Financial Statement of Presentation

HACW adopted the provisions of Government Accounting Standards Board Statement No 34, "Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments" Statement No 34 established standards for external financial reporting for all state and local governmental entities, which includes a statement of net position, a statement of revenues, expenses and changes in fund net position, and a statement of cash flows. It requires the classification of net position into three components-net investment in capital assets, restricted, and unrestricted.

The term measurement focus is used to denote what is being measured and reported in **HACW's** operating statement. **HACW's** financial activities are accounted for on the flow of economic resources measurement focus. The fundamental objective of this focus is to measure whether **HACW** is better or worse off economically as a result of events and transactions of the period.

The term basis of accounting is used to determine when a transaction or event is recognized on **HACW's** operating statement. **HACW** used the full accrual basis of accounting. Under this basis, revenues are recorded when earned and expenses are recorded when incurred, even though actual payment or receipt may not occur until after the period ends.

Net Position

HACW has implemented GASB Statement No. 63, *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*. This standard provides guidance for reporting the financial statement elements of deferred outflows of resources and deferred inflows of resources. Deferred outflows represent the consumption of HACW's net position that is applicable to a future reporting period. A deferred inflow represents the acquisition of net position that is applicable to a future reporting period.

Because deferred outflows and deferred inflows are, by definition, neither assets nor liabilities, the statement of net assets, title is now referred to as the statement of net position. The statement of net position reports net position as the difference between all other elements in a statement of net position and should be displayed in three components: net investment in capital assets, restricted net position (distinguishing between major categories of restrictions), and unrestricted net position.

Budgets

HACW prepares an annual budget for its proprietary fund. Prior to the beginning of the fiscal year, October 1, the annual budget is approved by the Board of Commissioners. Budgetary amendments require approval by the Board. HACW does not present its budgeted to actual comparison for the enterprise fund as part of its financial statements as accounting principles generally accepted in the United States of America do not require such, despite adoption of an annual budget by the Board.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Amounts Receivable

Amounts receivable are stated at net realizable value as required by accounting principles generally accepted in the United States of America.

Statement of Cash Flows

For purposes of the statement of cash flows, HACW considers all highly liquid investments with an original maturity of ninety (90) days or less when purchased to be cash and temporary cash investments. At September 30, 2014, temporary cash investments were \$-0-

Capital Assets

Capital assets are recorded at cost or estimated costs. Donated assets are valued at estimated fair value on the date donated. When assets are retired or otherwise disposed of, any resulting gain or loss is reflected in income for the period.

The costs of normal maintenance and repairs that do not add to the value of an asset or materially extend the asset's life are not capitalized in the enterprise fund.

NOTE 1 - Summary of Significant Accounting Policies, Continued

Capital Assets, Continued

Capital assets with a cost of \$1,000 or more are capitalized and depreciated in the enterprise fund of HACW using the following estimated useful lives in years

<u>Assets</u>	<u>Estimated Useful Lives in Years</u>
Land improvements	15
Building	33
Building improvements	15
Equipment	3-7

Under accounting principles generally accepted in the United States of America, long lived assets are to be reviewed for impairment. If the sum of the expected future cash flow is less than the carrying value amount of the asset, an impairment loss should be recognized. At September 30, 2014, management has determined that there are no assets subject to the requirements of GASB No. 42 "Accounting and Financial Reporting for Impairment of Capital Assets and for Insurance Recoveries"

Compensated Absences

HACW follows Louisiana Civil Service regulations for accumulated annual and sick leave. Under those regulations, employees may accumulate up to three hundred (300) hours of annual leave which may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date.

The cost of current leave privileges computed in accordance with GASB Codification Section C60, is recognized as a current-year expense in the enterprise fund when leave is earned.

Interprogram Activities

All interprogram transactions, except quasi external transactions, advances and reimbursements are reported as transfers. Nonrecurring and permanent transfers of equity are reported as residual equity transfer. All other interprogram transfers are reported as operating transfers and recognized at the time the underlying event occurs. Interprogram due to and from have been netted at the combined level financial statements.

NOTE 2 - Cash

At September 30, 2014, the carrying amount of HACW's cash deposits was \$501,391 and the cumulative bank balance was \$529,954. The bank balances are covered by federal depository insurance and collateral held by the pledging institution's agent in HACW's name.

Under state laws, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of such pledge securities and federal deposit insurance must equal or exceed the amount on deposit with the fiscal agent. These securities are held by the fiscal agent bank in the name of HACW.

Custodial credit is the risk that, in the event of a failure by the financial institution, HACW's deposits may not be returned to it. HACW's bank balances were not exposed to custodial credit risk, since the pledged securities were in the name of HACW and were held in safekeeping.

NOTE 2 - Cash, Continued

State law also requires that all deposits be fully collateralized at all times. Acceptable collateralization includes FDIC insurance and the market value of securities purchased and pledged to the political subdivision. Obligations of the United States, the State of Louisiana and certain political subdivisions are allowed as security for deposits. Obligations furnished as security must be held by the HACW or with an unaffiliated bank or trust company for the account of HACW.

NOTE 3 - Restricted Cash

At September 30, 2014, restricted cash consisted of \$11,201 in security and pet deposits received and held on behalf of tenants. These deposits are stated at cost, which approximates market.

NOTE 4 - Capital Assets, Net

At September 30, 2014, capital assets, net consisted of the following:

Accounts payable - vendors	\$ 7,388
Payroll taxes and other payables	2,478
Payments in lieu of taxes	<u>24,201</u>
Total	<u>\$34,067</u>

NOTE 6 - Risk Management

HACW is exposed to various risks of loss related to torts, theft, damage to and destruction of assets for which HACW carries commercial insurance. Liabilities are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated.

NOTE 7 - Concentration of Credit Risk

HACW receives primarily all of its revenues from dwelling rental and HUD. If the amount of revenues received from both dwelling rental and HUD falls below contract levels, HACW's operating results could be adversely affected.

NOTE 8 - Contingencies

HACW is subject to possible examinations by regulatory agencies who determine compliance with laws and regulations governing grants provided to HACW. These examinations may result in required refunds by HACW to the agencies and/or program beneficiaries.

NOTE 12 - Per Diem to Board Members

During the year ended September 30, 2014, board members received per diem in their capacity as commissioners at a rate of \$50 per board meeting attended. Total payments to all commissioners for the year ended September 30, 2014 was \$2,300.

NOTE 13 - Retirement System

Plan Description

On November 20, 2006, the Board of Commissioners for HACW approved the establishment of a single employer defined contribution plan. The Housing Authority of the City of Winnfield's Retirement Plan (the Plan) is authorized and may be amended by the Board of Commissioners.

Plan Funding

Funding for the Plan is through a contribution of 3% and 8% by participating employees and HACW respectively. Eligibility is based on full-time and part-time employment with a minimum of 20 hours per week and five months a year. The contribution is based on the employee's base salary each month.

HACW's gross payroll for participating employees for the year ended September 30, 2014 was \$98,775. HACW and employee contributions made using base salary amounted to \$7,902 and \$3,008, respectively.

**INDEPENDENT AUDITORS' REPORT
ON
SUPPLEMENTARY INFORMATION**

To the Board of Commissioners
Housing Authority of the City of Winnfield
Winnfield, Louisiana

Our report on our audit of the financial statements of **Housing Authority of the City of Winnfield (HACW)** appears on page 1. That audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole.

The accompanying Schedule of Expenditures of Federal Awards (Schedule III) is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. The information in the Schedule of Expenditures of Federal Awards has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements taken as a whole.

**INDEPENDENT AUDITORS' REPORT
ON
SUPPLEMENTARY INFORMATION
(CONTINUED)**

The supplementary information (Schedules I, II, and IV) required by HUD is prepared in accordance with accounting principles generally accepted in the United States of America, and is not a required part of the financial statements, has been subjected to auditing procedures applied in the audit of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, Schedules I, II, and IV are fairly stated in all material respects in relation to the financial statements taken as a whole.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**Board of Commissioners
Housing Authority of the City of Winnfield
Winnfield, Louisiana**

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America, the financial statements of **Housing Authority of the City of Winnfield (HACW)** as of and for the year ended September 30, 2014 and the related notes to the financial statements, and have issued our report dated March 25, 2015. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered **HACW's** internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of **HACW's** internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of **HACW's** internal control over financial reporting.

Internal Control Over Financial Reporting, Continued

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses

Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected by HACW on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weaknesses, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether HACW's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance and other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of HACW's internal control over financial reporting and on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HACW's internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

HACW's response to the status of prior year's findings is described in the accompanying Summary Schedule of Findings and Responses under the caption "Current Status". We did not audit HACW's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of HACW's Board, management, the Legislative Auditor for the State of Louisiana and the U.S. Department of Housing and Urban Development and is not intended to be, and should not be used by anyone other than those specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

INDEPENDENT AUDITORS' REPORT ON OTHER MATTERS RELATED TO INTERNAL CONTROL

Mr. Bobby Collins, Executive Director
Housing Authority of the City of Winnfield
Winnfield, Louisiana

In planning and performing our audit of the financial statements of **Housing Authority of the City of Winnfield (HACW)**, as of and for the year ended September 30, 2014 in accordance with auditing standards generally accepted in the United States of America, we considered **HACW's** internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing an opinion on the financial statements and not for the purpose of expressing an opinion on the effectiveness of **HACW's** internal control. Accordingly, we do not express an opinion on the effectiveness of **HACW's** internal control.

As a part of our audit, we noted certain matters that present an opportunity for strengthening internal control and improving operating efficiency. Also, we reviewed the status of prior year's other matters. This letter does not affect our report dated March 25, 2015 on **HACW's** internal control over financial reporting or its financial statements.

We will review the status of these other matters during our next audit engagement. We have already discussed these other matters with management, and we will be pleased to discuss them in further detail at your convenience.

**INDEPENDENT AUDITORS' REPORT ON OTHER MATTERS
RELATED TO INTERNAL CONTROL**

2014

The following summarizes our report on other matters related to internal control

Reference Number

OM 2014-01

Condition

The September 30, 2014 general ledger presented to us, did not include certain financial transactions executed before and subsequent to year end that should have been recorded in the general ledger for the year ended September 30, 2014

Specifically, the general ledger provided to us did not include depreciation expense of \$234,966 and accrued expenses totaling \$26,540 incurred for the year ended September 30, 2014

This condition is similar to prior year other matter reference number OM 2013-01

Recommendation

Management should review its current year end cut-off procedures to include the general ledger for completeness in capturing all transactions in their respective periods

Management's Response and Planned Corrective Action

Management will revisit the current procedures with its fee accountant with an aim towards addressing the referenced condition

Condition

Considering the size of HACW, the important elements of internal control and segregation of duties cannot always be achieved to ensure adequate protection and safeguarding of HACW's assets. The internal financial transactions processing for HACW is performed primarily by its Housing Program Manager.

HACW currently uses the services of a certified public accountant to prepare its internal financial statements and other reports for submission to management and its funding source.

Furthermore, we noted an inadequate design of internal control over significant accounts and processes.

This condition is similar to prior year other matters condition described as reference number OM 2013-03.

Recommendation

We recommend that management continue to re-evaluate its internal control design, develop and implement procedures and processes to minimize, if not, eliminate the potential risk associated with the described condition. Such a process should include the implementation of offsetting control structures, processes and procedures to mitigate the potential risks associated with the size of HACW.

Management's Response and Planned Corrective Action

Management continues to evaluate the cost benefit associated with the referenced condition.

2013

The following is a current status of prior year's other matters related to internal control

Reference Number

OM 2013-01

Condition

Our review of the September 30, 2013 general ledger and financial transactions executed subsequent to year end, revealed financial transactions that should have been recorded for the year ended September 30, 2013

The September 30, 2013 operating bank account reconciliation revealed a listing of six (6) checks categorized as outstanding. However, our review of the "Summary Check Listing" report (listing of all checks starting from 10/1/13 forward) revealed the referenced checks with dates in October and November 2013

Recommendation

Management should review its current year end cut-off procedures to ensure its completeness in capturing all transactions in their respective periods

Current Status

Unresolved See current year's other matters reference number OM 2014-01

Condition

Custodial Risk

Currently, HACW does not have a formal written policy to address its custodial risk that results from deposits of funds held by others on its behalf in excess of \$250,000 (Federal Deposit Insurance Corporation limit)

Such policy should include the periodic review by management to ensure the continuous collateralization based on its executed depository agreement

Recommendation

We recommended the establishment of a deposit policy to address all deposits of funds with others in excess of the Federal Deposit Insurance Corporation limit

Current Status
